

Date

Subtheme

Start Time: Choose a start time.
End Time: Choose an end time.

Curriculum Area:
Conceptual Knowledge-
Numeracy
Conceptual Knowledge-
Numeracy

Materials:

- adapted recipe
- ingredients
- pourer
- switch adapted mixer

Objective(s):
 Students will identify "how much" of an ingredient to add by following an adapted recipe.
 Students will follow directions to stir, pour or measure a given amount of times.
 Students will identify and use the correct measuring tools to measure dry cooking ingredients.
 Students will identify and use the correct measuring tools to measure wet cooking ingredients.

Before cooking, assign a step to each student. Only 8 steps total so add 2 students to some steps. If student has a measuring goal on IEP, have them complete steps 1 or 2.

Introduction:

- Teacher will review recently read story Floats in a Moat with students.
- "In the story, the characters are try to get buttermilk to the queen. Well today we are going to make buttermilk pancakes!"
- Teacher will read adapted, interactive recipe with students. Teacher will indicate to students which step they are responsible for completing.

***If doubling the recipe, be sure to modify amounts of ingredients or complete w/ students.**

Body:

- Students will follow the adapted, interactive recipe to make buttermilk pancakes.
- teacher will provide support to study who need it and verbal praise after step completion.

Closing:

- Once at the final step, teacher will go back through and provide specific verbal praise to students for the step they completed.
- Teacher will ask students how much of certain ingredients they used to complete a step in the recipe.

Accommodations:

Adapted pourer, mixer

Picture supports

Adapted text

Communication systems

Leveled prompting

Multiple Intelligences:

Linguistic

Bodily Kinesthetic

Logical-Mathematical

Visual-Spatial

Musical

Interpersonal

Intrapersonal

Naturalist
