

4/17/2020

Dear St. Coletta Families;

Due to the public health needs brought on by the coronavirus, St. Coletta School will continue distance learning through May 29, 2020. While DCPS has announced in a press conference today that they will be ending the 2020 school year on May 29th, we are still considering our end of school year date and dates for extended school year. More information will be communicated about our full school year calendar and the beginning of the 2020-2021 SY after May 15, 2020. At that time DCPS has indicated they will be making additional announcements regarding start of school dates. While as a charter school we have the autonomy to determine our own school calendar, we want to collaborate with DCPS as much as possible to ensure the smooth transition between school years.

We know this school closure has brought on challenges beyond your child's participation in school. Resources related to meals, COVID-19 healthcare, and distance learning will continue to be updated on our website www.stcoletta.org and additional information can be found at coronavirus.dc.gov.

You may contact me at cmandeville@stcoletta.org if you have any further questions.

Sincerely,

Christie Mandeville
Principal
