

June 2021

Dear Parents/Guardians:

Enclosed is your 2021-2022 St. Coletta Back-to-School packet. **The forms must be filled out and returned to the school prior to the start of the new school year.** It is important that all forms be filled out completely and accurately. You do not need to wait until all forms are completed before returning them to the school as we understand physical and dental appointments may not yet be scheduled.

The Emergency Care Form consists of three pages, all of which must be fully completed each year, even if there have been no changes from previously submitted forms. I have enclosed a checklist to help track the completion of each form. Families can expect to receive another packet containing additional school information (including a revised Parent Handbook and other annual notifications) in the fall. As always, if you need any individualized assistance in completing paperwork, please do not hesitate to contact us at (202) 350-8680 or email cdecker@stcoletta.org.

MEDICAL PAPERWORK (available at www.stcoletta.org/school-program/)

ALL STUDENTS must meet immunization requirements to attend in-person. Please provide the school your child's most updated Health Certificate, immunization record, and Dental Exam documents if you have not already done so. Any student requiring medication administration or a special medical procedure during the school day must also have a Medication and Medical Procedure Treatment Plan updated by a physician annually. Medications may be mailed to the school, Attn: School Nurse, or dropped off in person at the front desk, but CANNOT be sent to the school with your child.

While these forms should be returned to school prior to the start of school, **again, please return as many of the forms as possible prior to the end of this school year** as it is difficult to process all of the paperwork when we receive it close to the start of the new school year.

Sincerely,

Catherine Decker

REMINDER!

Dear Parents/Guardians:

Residency verification for school year 2021-2022 has started!

District of Columbia (DC) law requires the verification of DC residency for all students seeking to enroll in the District of Columbia's public schools, charter schools or schools funded by the District of Columbia each year. To be eligible to enroll in a DC public or public charter school tuition-free: 1) the enrolling person must be the parent, adult student, or the valid legal guardian, custodian, or Other Primary Caregiver with proper documentation; 2) **the enrolling person has established a physical presence in the District of Columbia**; and 3) the enrolling person has submitted valid and proper documentation that establishes residency as set forth in law and regulations.

WHAT DOES THIS MEAN FOR YOU?

It is the responsibility of the **parent/guardian** to comply with the annual residency verification requirements for the school year. Parents or guardians who do not complete the residency verification requirement for their child will be referred to the Office of the State Superintendent (OSSE) for a determination regarding next steps.

Parents/guardians of any students found to be non-residents may be required to pay prorated tuition and withdraw their child from the school.

Residency Verification Process:

Families may satisfy residency verification requirements either in-person at the school or submit information electronically. Both methods will follow the same three steps (see below):

- 1) **SUBMIT DOCUMENTATION:** Review the acceptable documentation checklist on the next page and determine which items you will provide to the school. Documents should reflect your **current** address as well as confirm both a **physical** and legal presence in the District of Columbia. You may present documentation to school personnel at the school 8am through 3pm Monday, Tuesday, Thursday, and Friday (school staff are unavailable to review documentation in-person on Wednesday). Electronic submissions may be emailed to residency@stcoletta.org.
- 2) **SCHOOL REVIEW:** St. Coletta will review your submitted documentation. If additional documents or information are needed the school will contact you in-person, by phone, or email.
- 3) **COMPLETE/SIGN REQUIRED FORMS:** Once valid documentation has been provided, the school will provide you forms for review and completion. These documents will include a sworn statement as well as an Annual Student Enrollment Form. Electronic forms will be sent to families using DocuSign. **It is essential that the enrolling parent/guardian carefully review and complete the documents before signing.**

Other Important Information:

- Should you have questions about this process reach out to the school at residency@stcoletta.org or call (202)350-8680.
- Students over the age of 18 will be required to sign their own residency verification forms as the "enrolling person" unless another guardian (such as a parent) has been appointed. If you have taken steps to retain guardianship of your adult student, documentation must be on file with the school. Parents of adult students who have not retained guardianship will still be required to submit documentation supporting their DC residency and must also complete residency verification paperwork.
- **Parents/Guardians must notify the school of any change of address within 3 days** and will be asked to complete residency verification at the school once again.

Our Goal:

PLEASE DO NOT WAIT TO COMPLETE THIS PROCESS! Our goal is to have all residences for the 2021-2022 school year verified by July 2, 2021.

Thank you for your assistance in meeting this requirement!

Enrolling person, follow ONE of the methods (A-C) to verify your DC residency.

A	<p>Verify with a school official. If you are experiencing homelessness, a ward of the District, and/or a participant of a District public benefits program, such as Medicaid, Supplementation Nutrition Assistance Program, or Temporary Assistance for Needy Families – your school may already have your information. Check with your school official or the school’s homeless liaison.</p> <p>Verify through the Office of Tax and Revenue (OTR). Re-enrolling families/students are often able to verify residency using OTR residency verification process. The enrolling person must have paid taxes in DC during the previous fiscal year and have the student’s Social Security number. The student must be re-enrolling in the same local education agency and enrolling in grades K-12. Login to the system at ossedctax.com. Annual Opt-Out for Human Papillomavirus (HPV) Vaccine

I have received and reviewed the information provided on HPV and the benefits of the HPV vaccine in preventing cervical cancer and genital warts if it is given to preteen girls and boys. After being informed of the risk of contracting HPV and the link between HPV and cervical cancer, other cancers and genital warts, I have decided to opt-out of the HPV requirement for the above named student. I know that I may readdress this issue at any time and complete the required vaccinations.

HUMAN PAPILLOMAVIRUS INFORMATION

Genital human papillomavirus (HPV) is the most common sexually transmitted virus in the United States. There are about 100 types of HPV. Most infections don't cause any symptoms and go away on their own. HPV is important mainly because it can cause cervical cancer in women and several less common types of cancer in both men and women. It can also cause genital warts and warts of the upper respiratory tract. There is no cure for HPV, but the problems it causes can be treated.

About 20 million people in the U.S. are infected, and about 6 million more get infected each year. HPV is usually spread through sexual contact. More than 50% of sexually active men and women are infected with HPV at some time in their lives. Every year in the U.S., about 12,000 women get cervical cancer and 4,000 die from it with rates of cervical cancer in DC being higher than national averages.

HPV vaccine is an inactivated vaccine (not live) which protects against four major types of HPV. These include two types that cause about 70% of cervical cancer and 2 types that cause about 90% of genital warts. HPV vaccine can prevent most genital warts and most cases of cervical cancer.

Protection is expected to be long-lasting. But vaccinated women still need cervical cancer screening because the vaccine does not protect against all HPV types that cause cervical cancer.

HPV vaccine is routinely recommended for girls and boys 11-12 years of age, but may be given as early as age 9 years. It is important for girls and boys to get HPV vaccine before their first sexual contact-because they have not been exposed to HPV. The vaccine protects against some – but not all – types of HPV. However, if female or male is already infected with a type of HPV, the vaccine will not prevent disease from that type. It is still recommended that females and males with HPV get vaccinated. In addition, the HPV vaccine can prevent vaginal and vulvar cancer in females, and genital warts and anal cancer in both males and females.

The vaccine is also recommended for females 13-26 years of age and males 13-21 years of age (or to age 26 in some cases) who did not receive it when they were younger. It may be given with any other vaccines needed.

HPV vaccine is given as a three-dose series:

- **1st Dose:** Now
- **2nd Dose:** two months after Dose 1
- **3rd Dose:** six months after Dose 1

People who have had a life-threatening allergic reaction to yeast, are pregnant, moderate to severe illness should not receive the vaccine. Side effects are mostly mild, including itching, pain, redness at the injection site and a mild to moderate fever.

If additional information is needed, please contact your healthcare provider, the D.C. Department of Health Immunization Program at (202) 576-7130 or the Centers for Disease Control and Prevention (CDC) at 1-800-CDC-INFO (1-800-232-4636).
